

COMPAMIX Electric Actuator with ISO 5211 Multi-flange Mounting

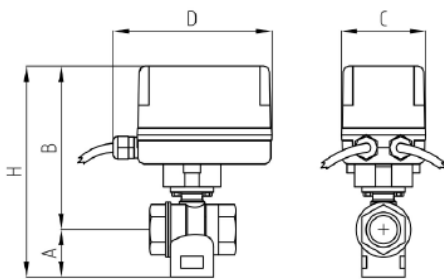

STANDARD SPECIFICATION:

- **Power Supply (110V Version on Request)**
230V—24V AC (50 Hz)
- **Input Power**
12VA
- **Standard Operating time (90° Rotation)**
30 sec (25Nm)
- **Degree of Protection**
IP 65
- **Operational room temperature (Lower Temperatures on Request)**
-10°C to +50°C
- **Adjustment Range**
-15°C to +85°C

COMPAMIX Electric Actuator with ISO 5211 Multi-flange Mounting
